

2020-2021

COVID Campus Access Policy

This policy addresses access to the Montgomery School campus and procedures for entry changes due to COVID. The school may occasionally update this policy as new strategies to mitigate spread are implemented by the Health and Safety Committee.

Health and safety guidelines:

- Health screening complete and temperature 99.5 or below
 - Personnel and students check in via online HealtheTools web link
- Check in at farmhouse for everyone who is not a current student or personnel
 - Receive visitor's pass that is date and time stamped
- Check out at farmhouse
 - Fill in campus movement form and potential contact information
 - Front desk personnel to keep all gathered information.

Constituents	Access
Personnel	Access to campus granted after following health and safety guidelines
