- 1 set of earbuds for computer work with student's initials marked on the earbuds, then enclosed in a small ziplock bag labeled with the student's name.

- PE Uniform (available for purchase through Lands' End)
- PE bag for storing PE uniform
- Water bottle
- Spiral notebook for foreign language class
- **Please, no large items to decorate lockers, such as locker lighting, as they take up too much room, which is needed for books and materials.**
- Feel free to reuse items from previous years, if they are in good condition. Notebooks should be new. Please label all items with the student's name, including pencils. ~ Thank you.

5th Grade Science

1. A 3-Ring Binder (1 1/2 inch works best)
2. Five section dividers with labels
3. Ruled notebook paper to fill your binder (The paper with reinforced edges really help students keep their papers from ripping out, and makes for a neat and orderly binder.)
4. One package of 3X5 index cards (Color is your preference)
5. Pencils
6. A non-adhesive cover or stretch-fabric cover for your science book (Jumbo or Extra Large works the best!)
7. (Optional, but recommended) One enclosed pocket pencil sharpener
8. (Optional, but recommended) A three-ring organizer pocket is great for holding the pencils, sharpener, and index cards (a Ziploc bag also works well).
9. (Optional) Highlighters to help identify important directions and material
